LUXEMBOURG, June 19, 2017 – [Premium Title](#), a national provider of title and escrow services, today announced that the business received Morningstar Credit Ratings, LLC’s MOR RV1 residential-vendor ranking for title insurance services. This is the highest vendor ranking that Morningstar assigns to companies. Morningstar’s forecast for the ranking is stable.

The Morningstar ranking is based on a variety of factors, including:

In addition, the company has an extensive training curriculum that promotes a continuous learning environment along with comprehensive policies and procedures that serve to ensure that employees are performing their responsibilities in accordance with industry best practices.

- Premium Title has successfully obtained the American Land Title Association (ALTA) Best Practices certification, a designation that recognizes Premium Title for complying with the seven pillars established under the certification requirements as verified by a third-party accounting firm.
- Premium Title benefits from a solid technology environment that includes a title insurance order processing system that provides quality control and accounting functionality. The company has a well-defined project management process, effective network security protocols and a disaster recovery and business continuity plan that leverages the company's numerous office locations for redundancy.

Premium Title's hallmarks are its focus on customer experience and commitment to regulatory compliance. The company's customized solutions can integrate with a number of loan origination systems to facilitate timely closing and the rapid exchange of data to improve TRID compliance. Premium Title is a value-added partner to many of the nation's largest banks and servicers and services many small- to mid-size lenders.
