MEMPHIS and LUXEMBOURG, August 16, 2016 – [Altisource® Portfolio Solutions S.A.](#) (“Altisource”) (NASDAQ: ASPS), a provider of real estate, mortgage and technology services, is supporting Habitat for Humanity’s [Jimmy & Rosalynn Carter Work Project](#) in Memphis, Tennessee, taking place Aug. 21-26, 2016. In collaboration with Habitat for Humanity of Greater Memphis, local families will build or improve their homes alongside President and Mrs. Carter and hundreds of volunteers. President and Mrs. Carter donate their time and voices annually to help Habitat families build strength, stability and self-reliance through shelter.

“Altisource and Habitat for Humanity both share a commitment to improving and revitalizing communities around the world,” said Kevin J. Wilcox, Chief Administration Officer, Altisource. “Our employees have been passionate about this cause and engaged in supporting the mission of Habitat during our collaboration. We are excited to be a sponsor of the Jimmy & Rosalynn Carter Work Project, providing the effort to improve and revitalize this Memphis community.”

In addition to supporting Habitat's Carter Work Project, Altisource has been sponsoring and engaging employees and customers in a homebuilding project in Atlanta and neighborhood revitalization projects throughout Michigan and Arizona since April. Altisource has also invested in Habitat for Humanity's clean water sourcing in India and the Philippines, countries that are also home to Altisource employees.

For more than three decades, Habitat's Carter Work Project has engaged volunteers to improve communities across the United States and around the world. In Memphis, hundreds of volunteers will work with 19 homeowner families to build new homes. During the week, volunteers will also conduct 10 beautification projects, including painting and landscaping, and six aging in place projects to enhance accessibility and mobility for seniors.
