

CWCOT FORECLOSURE AND SECOND CHANCE AUCTIONS

Our CWCOT foreclosure auctions and second chance auctions are efficient disposition strategies that can help you save time, lower holding costs and increase sale proceeds for investors.

TAP INTO THE BENEFITS OF AN EXPERIENCED AUCTION PROCESS

With Altisource®, you get access to a diverse pool of buyers and investors, a nationwide vendor management network and the strength of a leading financial services company in key business areas such as asset management, field services, title and settlement and valuations — all under one roof.

Help increase your asset returns with an experienced, industry-leading provider of real estate auction services.

BENEFITS

Our technology and industry expertise has been providing powerful benefits to clients for years.

- ⬆️ **CAN INCREASE ASSET EXPOSURE:** Our innovative platform can amplify marketing efforts, drive buyer urgency and increase transparency. Utilizing industry leading data and analytics, our platform identifies key factors that can influence buyer searches and patterns.
- ⬆️ **PROVIDES A COMPREHENSIVE RESIDENTIAL REAL ESTATE EXPERIENCE:** We were one of the first platforms to enter the online residential real estate auction industry and have combined our years of asset management experience to specialize in the marketing and disposition strategies for residential properties.
- ⬆️ **DELIVERS ROBUST OPERATIONAL CONTROLS:** Our platform controls monitor business processes to help reduce errors, increase quality and keep you up to date on changing market requirements.

WHAT WE OFFER

Second Chance Online Auctions

We provide a refined online liquidation auction process through Hubzu®.

Foreclosure Auction Marketing

Our platform maximizes the exposure of your assets to drive interested bidders to the auction.

Range of Offerings

We create a unique mix of buyers by offering nonauction assets in addition to auction assets on our platform.
