

# INSPECTION SERVICES

**Wherever you have a project, we have a qualified local inspector in place to complete the job.**

Granite's national network of certified inspectors are qualified and trained to deliver a comprehensive and standardized report regardless of location.

## OUR APPROACH

Our web-based system provides one centralized location to order, track and receive real-time information so you can make informed decisions concerning your project.

- ⬆ 24/7 Desktop Project-at-a-Glance
- ⬆ Fully Certified and Vetted Inspectors
- ⬆ Tiered Inspector Qualifications
- ⬆ Standardized Turn Times
- ⬆ QC Review of Every Inspection

## OUR BENEFITS

Granite is the industry's national inspection provider for management of residential and commercial field services, including:

- ⬆ Construction Draw and Status Inspections
- ⬆ SBA Site Visits (504 and 7A)
- ⬆ Insurance Remediation Inspections
- ⬆ Renovation Site Inspections
- ⬆ Property Condition Assessment Reports (PCARs)
- ⬆ Clear-Lot Inspections
- ⬆ Property Preservation and Monitoring
- ⬆ Forensic, Liquidation and Distressed Asset Inspections
- ⬆ Cost-to-Cure Inspections
- ⬆ HUD 203(k) Consultant Quality Control
