Outside of the discontinuation of the lender placed insurance brokerage line of business, the fourth quarter 2014 net loss was from higher costs than in the fourth quarter of 2013, partially as a result of expenses to support anticipated business growth. To quickly address the change in expectations for Ocwen's growth, the Company has begun to execute on a plan that includes eliminating non-revenue generating businesses, reducing vendor fees and eliminating staff to reduce costs.

"Our 2014 performance was driven by strong revenue growth. During 2014, our earnings grew at a lower rate than our revenue as we incurred expenses for people and infrastructure to support a larger Ocwen and certain longer-term initiatives that had no revenue associated with them. We developed and are implementing a plan to reduce costs and eliminate certain of these initiatives to be a leaner, more focused organization," said Chief Executive Officer William B. Shepro. Full year and fourth quarter 2014 highlights include:

- The average number of loans serviced by Ocwen on REALServicing® totaled 2.2 million, a 91% increase compared to the year ended December 31, 2013 and 2.4 million for the fourth quarter 2014, a 59% increase compared to the fourth quarter 2013
- On November 21, 2014, we acquired certain assets and assumed certain liabilities
 of Owners Advantage, LLC ("Owners.com"), a leading self-directed online real estate
 marketplace, for an initial purchase price of \$19.8 million plus contingent earn out
 consideration of up to an additional \$7.0 million over two years, subject
 to Owners.com achieving annual performance targets
- On September 12, 2014, we completed the acquisition of certain assets and assumed certain liabilities of Mortgage Builder Software, Inc. ("Mortgage Builder"), a provider of mortgage loan origination and servicing software systems, for an initial purchase price of \$15.7 million plus contingent earn out consideration of up to an additional \$7.0 million over three years, subject to Mortgage Builder achieving annual performance targets
- On August 1, 2014, we amended our senior secured term loan agreement and increased our borrowings by \$200.0 million.

William Shepro commented further, "We have begun 2015 very focused on our customer and product diversification initiatives while continuing to support Ocwen, a very important and strategic customer to us."
